Advanced Trusts and Estate Planning

In certain situations a client may require advanced estate planning. Estate planning involving complex issues are billed at an additional hourly rate. As an example, this could include trusts for children with disabilities or blended families. If you feel your Estate is complex please contact Fraser Lypkie for an estimate of the fees for your circumstance.

Will Updates

Updates for Estate Planning documents are done on an hourly rate to reflect the simplicity or complexity of the updates required. Most updates will cost, approximately, one-half the current posted rate for new estate planning documents.
